

A Course in Miracles

The Divine Psychotherapy of Your Timeless Reunion with the Eternal

"Time and eternity are both in your mind, and will conflict until you perceive time solely as a means to regain eternity." ACIM

with Tim Christopher • December 9th, 11th & 12th

This is an invitation to discover and to celebrate the illuminate mind-training of A Course in Miracles. Its simple lessons of complete forgiveness and healing will lead you out of the past into a present bright with the miracles of your own timeless reunion with the Eternal.

"If you would remember eternity, you must look only on the eternal. If you allow yourself to become preoccupied with the temporal, you are living in time. If you will accept only what is timeless as real, you will begin to understand eternity and make it yours." ACIM

I invite you to join me in an out-of-time encounter with the resurrected mind of Jesus Christ. It has nothing whatsoever to do with this world of pain, loneliness and death in which you seem to live, but only your escape from it.

In each instant, through the light of your own forgiveness, the miracle will teach you to remember that spirit, not the body is your true identity. The judgemental nature of learned perception will be replaced by the happy sights and sounds of a mind at peace within itself.

Come and let yourself be healed completely and together we will celebrate your awakening to the Eternal Reality of Love that is all around us and all there has ever been. Welcome Home!
