

A Course in Miracles

Exercising Your Right to Freedom and Perfection of Mind

Sunday, July 10th, London W6
with Tim Christopher

You will find Heaven. Everything you seek but this will fall away. It will go because you do not want it.

This is a call to those who have recognized the imperative for a fundamental awakening to a True Identity in the Universal Mind of Christ. This is only a perfectly natural, quantum evolution in consciousness, which is the enlightened destiny of every human being.

Your creation by God is the only Foundation that cannot be shaken, because the light is in it. Your starting point is truth, and you must return to your Beginning. Much has been seen since then, but nothing has really happened.

Only the oneness of knowledge is free of conflict. Your Kingdom is not of this world because it was given you from beyond this world.

The world is not left by death but by truth, and truth can be known by all those for whom the Kingdom was created, and for whom it waits.

Why wait for Heaven? It is here today. For we come to the appointed time and place where you will find the goal of all your searching here, and all the seeking of the world, which end together.
