The holy instant's radiance will light your eyes, and give them sight to see beyond all suffering and see Christ's face instead.

Time stands still in your holiness, and changes not. And so it is no longer time at all. For caught in the single instant of the eternal sanctity of God's creation, it is transformed into forever.

Each instant is a clean, untarnished birth, in which the Son of God emerges from the past into the present. And the present extends forever. It is so beautiful and so clean and free of guilt that nothing but happiness is there. No darkness is remembered, and immortality and joy are now.

How long is an instant? As long as it takes to re-establish perfect sanity, perfect peace and perfect love for everyone, for God and for yourself. As long as it takes to remember immortality, and your immortal creations who share it with you. As long as it takes to exchange hell for Heaven. Long enough to transcend all of the ego's making, and ascend unto your Father.

Accept the holy instant as this year is born, and take your place, so long left unfulfilled, in the Great Awakening.

Come one, come all, for it is in your power to awaken from dreams and to know the truth of your Reality. Bring only your willingness, for the means have already been provided. Each miracle of awakening serves to teach you Who You Are in the Eternal Mind of God, and reaches out to every mind to teach them they are one with you.
